

Digital Portfolio

STUDENT NAME: A.KAVIYARASI

REGISTER NO AND NMID: asanm20124132010500122056

DEPARTMENT: BCA Bachelor of computer application

COLLEGE: Arignar Anna government arts college

UNIVERSITY : Annamalai University

PROJECT TITLE

student portfolio website

AGENDA

1. Problem Statement
2. Project Overview
3. End Users
4. Tools and Technologies
5. Portfolio design and Layout
6. Features and Functionality
7. Results and Screenshots
8. Conclusion
9. Github Link

PROBLEM STATEMENT

students and beginners often struggle to present their skills, project, and achievements in a professional way. Traditional resumes are static and do not effectively showcase interactive content such as project, coding skills, and contact forms.

PROJECT OVERVIEW

Brief summary of my project

*This project is a student portfolio website built using Html Css and Javascript,it is designed to showcase a students skills project and details in a professional and interactive way.

WHO ARE THE END USERS?

The end user are the people visit and use

- *Employers**
